

REMARKS/ARGUMENTS

Reconsideration of this application is respectfully requested.

In response to the rejection of the claims 1-13 under 35 U.S.C. §112, second paragraph, claim 1 has now been amended so as to make it clear that the variable (n) in the catalyst of formula 1 is in the range of 1-20. Accordingly, the outstanding ground of rejection is believed to have been overcome.

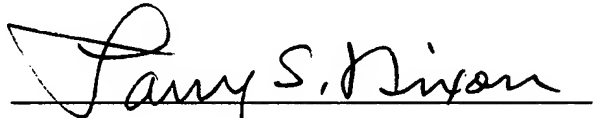

The indication of allowable subject matter at claims 1-13 is appreciatively noted.

Accordingly, this entire application is now soon to be in allowable condition and a formal Notice to that effect is respectfully solicited.

Respectfully submitted,

NIXON & VANDERHYE P.C.
